Purpose of the 4-H Fair - 4-H fairs are held nationally to allow youth the opportunity to exhibit a product that has resulted from an in-depth yearlong study in an area of interest to them. 4-H'ers should participate in the fair with pride. They have worked hard to get there. They enter the fair to receive feedback regarding the work they have done and to gather ideas for what they can do differently or expand upon in their project areas in future years.

Judging - Conference judging is the main judging format used. During conference judging, judges visit with 4-H'ers about the product being displayed and the project completed to determine whether or not learning has taken place. Conference judging is most prevalent in the General Project and Clothing Shows but is also an important tool for animal judges during showmanship classes.

4-H'ers participating in the fair will receive a ribbon for each entry. Judges will assign ribbons based on the amount of learning they believe has taken place, the quality of the product displayed, and the adherence of the product to the specific class description. The number one reason that 4-H'ers are marked down during judging is because they fail to follow the rules and meet class guidelines.

Ribbons assigned will be blue, red, or white, and should not be confused with letter grades. Blue ratings will be assigned when the exhibit meets class guidelines, the product being shown is of high quality, and the 4-H'er proves that he/she has learned much in the process of completing the project. White ribbons are assigned when products clearly do not meet class guidelines, products are of poor quality, and 4-H'ers appear to have learned little in completing the project. Red ribbons are given for projects falling in between the two extremes. There is no limit on the number of ribbons of any color that can be given. Other ribbons/awards will be given to 4-H'ers at the discretion of the judges and departmental committees.

Each year our county selects a number of 4-H General Project exhibits to represent Ogle County at the Illinois State Fair. These classes are noted at the beginning of each division with the number of eligible entries. Should any of the individuals selected for state competition in a particular division decline that opportunity, alternates in appropriate classes may be selected instead. Delegates and alternates are only selected when judges feel that the projects exhibited are of high enough quality to compete at the state level. Refer to General Projects Rules & Regulations under State Fair Winners for more details on State Fair selections.

- PROJECT REGULATIONS—an exhibit is the product of a 4-H member's year-long study.
- Displays are defined as 3-dimensional exhibits that sit on the floor or table.
- Posters are exhibits that should be suitable for hanging with binder clips or on nails. They may be constructed of any suitable flat media (wood, poster board, cardboard, foam board, etc.).
- A portfolio is a display in a 3-ring binder. Use of page protectors is recommended for binder exhibits.
- Most exhibits are not limited in size. However, if your project is larger than 3' X 3', please contact the Exhibit Building superintendent so they can accommodate space prior to judging. Civic Engagement, Floriculture B, Family Heritage, Intercultural, Small Engines, Photography, some Vegetable Gardening classes, and Club projects **DO** have size restrictions. Please see each department rules for size requirements.
- 4-H'ers may show only **ONE** exhibit in each class.
- 4-H exhibits may not duplicate as county open or junior fair class exhibits.
- A project exhibit may only be submitted by one person unless otherwise stated.
- No equipment will be provided for any exhibits. This includes computers, DVD players, extension cords, Internet, etc. Exhibitors should be aware that electrical outlets are not always located near judging locations and should take that into consideration when bringing exhibits. Special concerns should be brought to the attention of the Superintendent at check-in.
- The Ogle County Fair Association and Extension Office do not assume liability for loss, theft, or damage to any exhibit. If you have a high value project, we are not liable for damage or loss. If you have concerns, please take a photo of your project to leave after judging is complete.
- Exhibits illustrating inappropriate subject matter and/or graphics are not acceptable. Exhibits deemed inappropriate for youth audiences will not be displayed. Items deemed potentially dangerous to fair goers may be removed from the exhibit.
- 4-H'ers are limited to receive one premium per class exhibited in premium-eligible projects.

ABOUT JUDGING DAY...

- **COME WITH PROJECTS AT ASSIGNED JUDGING TIME!** This is critical to ensure a smooth flow of activity for our volunteer judges. More information will be shared with families prior to fair.
- A completed entry tag must accompany every exhibit. Entry tags will be mailed to families prior to judging. If you plan to drop a project, please contact to Ogle County Extension Office prior to your judging date.
- Projects must be properly tagged and ready for judging before arrival to the Ogle County Fairgrounds. No supplies will be provided for last minute fixes to projects.
- Parents/guardians may not accompany 4-H members past the check in table.
- Exhibits arriving after scheduled time will be displayed and may be judged (if judges are still present) but will NOT be eligible for high honors. REMOVAL OF PROJECTS...

- 4-H'ers unable to pick up their exhibits during check-out time, should make arrangements to have another 4-H family or friend pick up their exhibit(s). Exhibits remaining after this time will be left at the risk of the exhibitor(s) and may be disposed of, and exhibitor will forfeit their premium.
- People who dismantle or remove 4-H exhibits before scheduled check out time, or before they are officially released by departmental superintendents will forfeit premiums. This rule will be enforced.

STATE FAIR WINNERS

CLOTHING & TEXTILES

1. All Clothing projects must be completed by the 4-H Exhibitor!
2. Clothing project check-in and judging will occur at the Farm Bureau Auditorium. Clothing exhibits must be checked-in at their assigned time. Exhibitors bringing garments should not wear their garments when they arrive for judging. The garment will be reviewed by the judges for construction first. Exhibitors will be asked to change into the garment as the second step of the judging process. If the garment was constructed for another individual, that individual must be present to wear the garment for the judge (only the exhibitor who made the garment is eligible for ribbon and premium). Construction and appearance will both be considered during judging. If a pattern was used to make the item, the pattern instructions, either written or electronic, are to be included with the exhibit. Exhibit tags should be attached to the garment, not to the hanger. Following judging, the exhibitors will be photographed in their garment or with their project. Exhibitors will then be asked to change out of their garments and leave their projects with the clothing committee. Exhibitors are then free to leave for home.
3. If you are unable to attend judging, your garment, and the "4-H Exhibit Report" may be left at the Extension Office before Clothing Day Judging and judged solely on construction. The report will be used during the Ogle County 4-H Fair with the display. The "4-H Exhibit Report" is available in the Extension office and on the internet at <https://extension.illinois.edu/bdo/4-h-ogle-county>
4. Clothing projects will be transported to the fairgrounds by the Extension Staff and the Committee for display in the Exhibit Building. Winners will be identified in the display.

1. **Exhibitors must be enrolled in the Visual Arts project category in which they are exhibiting.**
2. Exhibitors are encouraged to date their project when it is made.
3. All visual arts exhibits are evaluated using a visual arts rubric which takes into account correct use of design elements, craftsmanship, and creativity.
4. Articles exhibited must be an original design created by the exhibitor (except in Heritage Arts, which may follow a pattern, AND Fiber-Non Original Ages 8-10 ONLY). Copyrighted or trademarked designs are not acceptable; this includes team, school logos and/or characters from movies such as Mickey Mouse, Iron Man, etc. Kits and pre-formed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, you can use that idea as your inspiration, however, create something which is fundamentally different. It **MUST NOT BE AN EXACT REPLICA OF** something the judge can search for and find on Pinterest. The exhibit may combine parts of different patterns and/or ideas with the concepts of the member, however changing the color or changing the size of the item or pattern used does NOT make it original. If you create an exact replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.
5. **Use of the 4-H Clover:** Chartered 4-H clubs and enrolled 4-H members are authorized to use the 4-H Name and Emblem. This includes permission for an enrolled 4-H member to use the 4-H name and emblem in exhibits created for personal use and as part of 4-H sponsored events. This includes 4-H decorated cookies, a 4-H clover printed for use in a scrapbook or included as part of any other 4-H exhibit. Use of the green clover shaped image is not protected. The 4-H "emblem" is distinguished by the four H's that signify Head, Heart, Hands and Health. **No creative rendering, changes in color or shape of the official 4-H emblem is allowed.**
6. NOTE – Any use of the 4-H name and emblem on items intended as gifts or for sale locally requires prior permission from your local Extension office. Your Extension office will be able to provide you with the form which must be signed by the Extension County Director. Any uses of the 4-H name and emblem for sale or promotion online, and/or in statewide events should be signed by the Illinois 4-H Program Leader (Illinois4H@illinois.edu).
7. Quilts entered in Visual Arts should **ONLY** be entered in the Quilting Project area in either Level 1 You Can Quilt (50331a) OR Level 2 Quilting the Best Better (50331b). All work on the quilt **MUST** be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else.
8. For both original and non-original work 4-H'ers should provide the source of their artwork if they use one (example: photo, picture, etc.)
9. Members may enter only one project per class and will receive only one premium per class.
10. Classification of Visual Arts projects can be confusing. If you have questions about whether your exhibit is properly enrolled, please consult the Superintendent at the time of check-in.
11. It is recommended that you bring only one exhibit in a media area of the same technique. (Ex: Don't bring both an original cross stitch and a cross stitch kit.)
12. Read Visual Arts exhibit guidelines thoroughly. Some exhibit categories have size restrictions and/or display requirements!

ORIGINAL WORK CLASSES:

Classes 50336 thru 50349 and 50351-50352 are for **ORIGINAL WORK**. This is any project made without the use of commercial/store purchased pattern or design. The 4-H'er has developed, created, & implemented the project. Articles in this category must be an original design created by the exhibitor. Copyrighted or trademarked designs are not acceptable in this division. Combining parts of different patterns (pictures, photographs, images from the Internet, or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does NOT make the design original. **If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project. Photos used as a source must be taken by the artist.** Most original classes are state fair eligible classes.
